This is a volunteer show and organization. You will be expected to help with the load in and strike of the show, and during the production in some way other than dancing. This can be as simple as hanging posters or cutting tickets out, or as complex as building costumes and sets.

We will let you know by Tuesday 9/12 if you are cast and what parts you have received.

Rehearsals will begin Saturday 9/16. You will be given a schedule for 9/16 when you are told your part in the show.

There will be an all cast meeting on Saturday 9/16 at 9:30am at Drouin Dance followed by rehearsals. The meeting is intended to pass out schedules, contact sheets and go over the story. Everyone is expected to attend this meeting.
